Overview

The Paul Merage School of Business (http://merage.uci.edu) offers the B.A. degree in Business Administration, the B.S. degree in Business Information Management (offered jointly with the Donald Bren School of Information and Computer Sciences), the M.B.A. (Master of Business Administration) degree, the M.P.Ac. degree in Accounting, the M.S. degree in Biotechnology Management (offered jointly with the Francisco J. Ayala School of Biological Sciences and The Henry Samueli School of Engineering), the M.S. degree in Engineering Management (offered jointly with The Henry Samueli School of Engineering), the Ph.D. degree in Management, and undergraduate minors in Management and Accounting. The Master’s degree is professional in nature and is intended to provide future managers with a firm foundation in the basic disciplines and in management tools and techniques; the Ph.D. in Management is for those who wish to pursue a career in scholarly research. The undergraduate minor in Management is designed for those who wish to gain some insight into issues of modern management, as well as those who anticipate future graduate work in management. In establishing the undergraduate minor in Accounting, the faculty anticipated two types of students to be drawn to courses in accounting: (1) students preparing for careers in accounting or in other fields that require some knowledge of accounting, and (2) students planning to pursue a graduate degree in accounting who wish early guidance and undergraduate work appropriate to this career objective.

Honors

Graduation with Honors. Honors at graduation, e.g., *cum laude*, *magna cum laude*, *summa cum laude*, are awarded to approximately the top 12 percent of the graduating seniors. To be eligible for honors, a general criterion is that students must have completed at least 72 units in residence at the University of California. The student’s cumulative record at the end of the final quarter is the basis for consideration for awarding Latin honors. Other important factors are considered visit at Honors Recognition (http://catalogue.uci.edu/previouseditions/2014-15/informationforadmittedstudents/academicadvisingandhonors/#honorsopportunitiestext).
